DETAILED ACTION

Response to Arguments

This paper response to the Reply to Examiner's Answer for filed on October 10, 2007.

Applicant wondered there are three copies of Examiner Answer that are substantially identical to the initial answer have been mailed to Appellants on 4/19/2007, 8/10/2007, and 9/24/2007. These additional copies of the original answer do not appear to raise any new issues for consideration by Appellants or the Board, and it is thus not understood why these additional copies of the Examiner's answer have been mailed to Appellants.

Answer:

Examiner have been returned the Appeal document three time for minor correction, specially Headings parts; Heading 3 is missing for 4/19/2007, missing Related Proceedings Appendix with text for 8/10/2007, and does not contain heading 11 Related Proceedings Appendix.

Therefore, the three corrections, that are identical to the initial answer of Examiner answers, mailed to Applicant.
